

The Online Learning Network

Today's criminal justice practitioner strives for training that is relevant, engaging, and focus-centered. Equally important for some, is the modality in which the training is received. This is why the ILETSB Executive Institute introduced a series of *cost-free* online courses that gives criminal justice practitioners the flexibility to learn from home or at work.

Why Choose *The Online Learning Network*?

- No cost to Illinois criminal justice agencies
- Many courses meet mandated training requirements
- 24-hour accessibility
- Enhanced engagement that leads to improved retention
- Interactive learning activities
- Learning and knowledge assessments
- Relevant topics for criminal justice practitioners
- Student User Manual and Person-to-Person Help Desk
- Retention of training records and Student Learning Portfolio
- Certificate of Completion

**Cost-free
Training!**

Who May Use *The Online Learning Network*?

Active Illinois certified law enforcement officers, correctional officers, and telecommunicators may register for an account with *The Online Learning Network* (OLN), a cost-free resource for online training.

How to Create an Account

Visit www.ptblearning.org and select 'Request Student Account'. Complete all fields of the Account Request Form. All new accounts must have a unique email address. Duplicates are not allowed.

Account requests will be confirmed within 24 hours on business days (M-F). An email will arrive from olnsupport@cait.org with a User login and temporary password. If this message does not arrive in the inbox of the email listed for the account, please check the Junk/Spam folder.

Student Learning Portfolio and Course Certificate

Each user has their own unique Student Learning Portfolio that identifies their progress in coursework. A Certificate of Completion is available for download in the Student Portfolio.
